Quote Of the Week

*A Church that does not unite
itself to the poor...is not truly the
Church of Jesus Christ.*
Archbishop Oscar Romer

The Holy Name of Mary

In the Bible, names were always special. To have access to someone's name meant that some sort of connecting relationship was established. Names are also given in the Bible to convey something of the identity of that person. An angel gives Jesus his name. The unexpected name "John" is given to John the Baptist by his mother and confirmed by his father whose own tongue was loosed so that he could say it. Jesus gave Simon a new name and entered into new relationship with him.

While we do not see Mary being given her name, we know her as Mary from the first moment she appears in the Gospel. She follows in a long tradition of Middle Eastern women who bear the name Mary or one of its variants. In Hebrew, it would be Myriam. Derived from the root, merur, the name signifies "bitterness," and can be connected to the sorrows she bore as Mother of the suffering Savior. More recently the name has come to mean "enlightener," because she brought forth the Light of the world. Amidst the many attributes of Mary, the core truth remains: She is the Mother of God. In her flesh she produced and bore the human person Jesus the Christ.

Because she is the mother of Jesus, believers have called upon Mary for help and comfort, not unlike we call upon our own mothers in times of distress. By calling upon her holy Name in prayer and in praise, we honor her, the woman of great faith, who leads us to ponder the Word who was made flesh in her womb.

Rev. Dr. Gerald T. Chinchar, S.M.
